SUBJECT:- Training Session on Multidimensional Poverty Index

Pakistan Bureau of Statistics has informed that Ministry of Planning, Development and Reforms, Pakistan Bureau of Statistics and UNDP are jointly organizing a training session on "Multidimensional Poverty Index". The training will be delivered by, Oxford Poverty and Human Development Initiatives(OPHI), University of Oxford.

2. The Multidimensional Poverty Index(MPI) has been adopted by the Government of Pakistan as poverty measuring tool to complement income poverty. The national and provincial MPI estimates are being used to track multidimensional poverty in Pakistan. The training is being delivered for the localization of MPI methodology and to create a critical human capital.

3. Training will be held on 26th to 30th March, 2018 in State Life Building, Islamabad. Please note that **prior working knowledge of STATA and proficiency in handling of datasets including PSLM and MICS is required for the training.**

4. In this regard, all Departmental Quality Assurance Coordinators(DQACs) are requested to kindly nominate one relevant officer from their respective wings with the approval of AFS/ head of the wing concerned till 13-03-2018.
