

## **PREFACE**

The Statistical Supplement attempts to complement the statistical data already published in the preceding Pakistan Economic Survey released every year. It provides the data of the complete fiscal year. Economic Adviser's Wing have made concerted efforts to present accurate and concise time series data on financial, economic and social sectors both at the aggregate level and sector-wise for the convenience of policy makers, researchers, academicians and other users. This Supplement provides an immediate access to information on the most recent data of economic trends over the years.

I am grateful to all the Ministries/Departments/Organizations for providing data to Economic Adviser's Wing and enabled publication of the Statistical Supplement. I also appreciate the hard work done in compiling the Statistical Supplement by the Officers and staff of the Economic Adviser's Wing. Soft version of the Statistical Supplement is also available on Finance Division Web Site and on Compact Discs as well.
